"Five big days of fun and frolic for everyone" is the promise of the managers of the Conception Junction Corn Carnival that will be held there October 6-10 inclusive.

In connection with the carnival will be farm displays of grain and stock, for which prizes are offered. There will be races and sports for children, prizes offered for largest family, person or persons from farthest distance, the oldest man, the oldest woman at the carnival.

A round-up has been planned at which Chief White Cloud and a band of forty Indians will be in attendance, well known performers from Kansas, Oklahoma and Nebraska have been contracted for the roping, riding, racing, bulldogging, steer tying, bare back bronco riding and mule riding.

Among other things will be a band concert contest, with $175 in prizes offered to the best amateur band. A consolidated open air band concert is planned for every night. DeChronic's band will furnish music throughout the five-days entertainment and there will be a dance each night. Airplane flying, with licensed pilots and stunt flying by ex-service men and parachute dives, will be featured besides the fireworks each night.

Each day of the corn carnival there will be a parade. Open air free attractions for each afternoon and evening and Parker's open air carnival have signed up for the corn carnival. Also there will be a horseshoe tournament, old fiddlers and corn husking contests and athletic events for which the managers have made arrangement to offer cups and prizes.

There will be a queen of the carnival chosen, for which rules are to be announced later.

Mrs. Samuel Crowley of St. Joseph is visiting at the home of her sister, Mrs. Karl Zimmerman, west of Maryville, for several days.

ASKS CITIZENS FOR DONATION

SALVATION ARMY IS FRIEND TO EVERYONE.

SEEK FUND OF $500

Solicitation Will Be Made In Nodaway County During Week Of October 5 to 12—Wells Chairman.

The Salvation Army this year is asking Nodaway County to give $500 to aid in the work of relieving distress and lifting the fallen. A drive for funds will be made in Maryville and the entire county the week of October 5 to 12, inclusive, according to C. E. Wells, chairman of the local committee, this morning. The committee here that has charge of the annual drive for funds in Maryville is comprised of Mr. Wells, chairman; George Baker, James Todd, Charles McCaffrey and W. A. Miller.

No large contributions will be solicited but the quota can be raised in a short time with small donations from all who are approached for subscriptions.

Some may ask what this $500 will buy this year? The answer is:

It will buy clothing and food for little children from bankrupt homes. It will provide a warm and healthful place for babies to be born of unfortunate girl mothers. It will find employment for the jobless fathers of destitute children. It will provide quarters, food and clothing for men desperate with hunger; it will keep them from the streets, where they might plunder you or your neighbor. It will buy Christmas for those whose lives are filled with the darkness of poverty and the bitterness of failure. It will help maintain a training college for more uniformed workers of the Salvation Army, whose zeal and faith take them into the most gloomy recesses of the nether-world.

It will buy the shade of trees and the murmur of cool crystal brooks for anemic children in our fresh air camps; it will help fill the cart of the penny ice man with cool and crystal chunks for the dying baby's milk.

Nodaway County is prosperous this year. Fortune has favored her. She is building good roads; her crops are plentiful. There are other counties less fortunate. Is it not just that the fortunate should help the unfortunate?

If Nodaway County were in distress, who would be first to her relief? The records of the Nation's greatest disasters—and even Japan's—mention the Salvation Army always as one of the first relief organizations upon the scene. Even when the Shenandoah fell, the Salvation Army workers were rushed to the spot equipped to succor the injured.

Journalism Club Barnard High May Visit This Office

(Taken From High School section of the Barnard Bulletin).

The Journalism Club has been invited by the Daily Democrat-Forum and Tribune to come to Maryville and visit their printing establishment. They would be taken all through the shop and acquainted with the various processes of making and printing a paper. It is hoped that the club will be able to make this visit in the near future as it will enable them to get a better working knowledge of such an institution.

Firestone

will ALWAYS give Most Miles per Dollar

No matter where crude rubber prices may go—Firestone advantages in securing raw material, in manufacturing and distribution are always active to make good the pledge of Most Miles per Dollar.

Racing drivers—hill-climbing and endurance record holders—taxicab, motor truck and bus operators—and hundreds of thousands of car owners—are daily emphasizing the unheard-of mileage and service delivered by Firestone Gum-Dipped Cords.

Gum-Dipping is one of the biggest factors in tire performance and long mileage, making Firestone Gum-Dipped Cords the most economical tires ever offered motorists.

The cord from the fabric mills is first delivered to a separate plant where it is treated in a solution of gum, which insulates every fiber of every cord. This protects against internal friction and heat, giving the sidewalls greater flexibility and additional strength.

Prove Firestone's many superiorities for yourself. If you have never had the safety, comfort and economy of these serviceable, long-mileage tires—go to the nearest Firestone Dealer—for Firestone *only* builds Gum-Dipped Cords.

DR. JAMES TO ANNUAL MEET

CONFERENCE WILL BE HELD AT TARKIO THIS YEAR.

THREE PROBLEMS UP

Ministers To Vote On Unity With M. E. Church, South, Seating Laymen And Pensioning Ministers.

Dr. C. C. James, pastor of the First M. E. Church, will leave the early part of next week for Tarkio, where he will attend the annual Missouri Conference meeting, which will open at 7:30 o'clock Tuesday evening.

Three important questions will be voted on at the conference this year. The matter of the union of the Methodist Episcopal Church and the Methodist Episcopal Church, South, will be voted upon. The questions of seating the laymen in equal numbers with the ministers in the annual conference and also to provide an adequate support for the retired ministers and their dependents will come up for consideration at the Tarkio meeting.

It is believed that all three of these questions will receive a large affirmative vote.

Bishop Frederick T. Keeney of Omaha, Drs. T. E. Newland and Warren F. Sheldon of Chicago and Dr. Henry S. French of Omaha are on the program at the annual conference.

The Tarkio Military Band will give a short program at 7 o'clock Tuesday evening. Following this, the choir will open the program in the church and a brief devotional period will be led by Dr. E. J. Gale. Mayor H. W. Hurst of Tarkio will give an address of welcome and the response will be by Bishop Keeney. Dr. W. F. Burris, superintendent of the Methodist home for the aged, will also give an addres.

All of the churches in the state north of the Missouri River will be represented at the conference.

The pastoral appointments for the coming year will be made at the Tarkio meeting.

Ray Harrison to Be Light Office Head

To Succeed C. C. Hellmers Who is Now at Lincoln, Neb.—Comes Here From Aurora, Neb.

Ray Harrison, who has been manager of the Nebraska Gas and Electric Co., at Aurora, Neb., has been selected as district manager of the Maryville Electric Light & Power Company. Mr. Harrison will take charge of his office here about the middle of next week. He will succeed Charles C. Hellmers, who is located at Lincoln, Neb., with the securities department of the United Power & Light Co.

Mr. Harrison was in Maryville yesterday, seeking a home here. He returned to Aurora this morning.

Both the Maryville plant and the Aurora plant are owned by the United Power & Light Co.

The members of the Epworth Bible Class of the First M. E. Church will take tickets in the afternoons at the various shows at the third annual Fall Festival which begins in Maryville Monday. The members of the Legion Auxiliary and several business men will take tickets at the shows after 6 p. m. each day.

The S. W. Brundage Carnival Co. will furnish the principal attractions at the festival here all next week. The company carries a twenty-five-car special train which is expected to arrive here from Chariton, Ia., about three o'clock tomorrow afternoon. Equipment for the free acts furnished by the Maryville Chamber of Commerce will also arrive tomorrow and Monday morning.

Rev. Neff to New Church in Ohio

The Rev. Homer A. Neff, son of Mr. and Mrs. T. M. C. Neff, has gone from St. Marys, Ohio, to Willard, Ohio, just beginning his work at the church at the latter place this month. The Reverend Mr. Neff has had a long and successful pastorate at St. Marys. He visited at the home of his parents here last summer.

R. B. Montgomery was in St. Joseph yesterday on business.

Approval Certificates Sent to Three Schools

Approval certificates were sent out to three schools today by Leslie G. Somerville, county superintendent of schools. The schools were inspected last week by Mr. Somerville and J. C. Godbey, inspector, and the certificates of approval received this morning from Charles A. Lee, state superintendent of schools.

A certificate was sent to the McCann school, Miss Mary Worth, teacher, signifying it has come up to all the requirements of a second class school. First class certificates were sent out today to the Swallow school, Miss Merle Shamberger, teacher, and to the Bell Grove school, where Miss Helen Bolin is teacher.

WELLS AUTO IS STOLEN

TWO ORRSBURG MEN HELD UP LAST NIGHT WITH GUN.

BELIEVE SAME PARTIES

1916 Model Buick Touring, Parked Near College, Is Taken Between 8 And 10 O'Clock Last Night.

The theft of a Buick automobile from a parking place at the College and a holdup at Orrsburg by three men last night are connected up by the sheriff as participated by the same parties. The 1916 model touring Buick automobile, property of C. E. Wells, of the College faculty, was stolen last night between the hours of 8 and 10 o'clock. It was parked near the administration building of the State Teachers College during a reception by the Student Welfare Committee for the students.

Two Orrsburg men, Roy Herndon and Ed Mann, were held up at the point of a revolver by a masked man at a filling station there about 10 o'clock. The bandit obtained about $25 from Mr. Herndon.

The masked bandit drove up to the filling station at Orrsburg in a Buick touring car, accompanied by two men, who were recognized by the victims of the holdup. The sheriff, L. B. Campbell, was called, and he with Leo Atherton, started working on the case. They soon had the telephone wires hot and covered several miles over muddy roads during the night.

Authorities in surrounding counties have been informed of the theft of automobile and the holdup.

The Buick touring that was stolen had the initials "C. E. W." on both sides of the body. The state license number it was carrying was 160-793 and the engine number is 155146.

Health Inspection in Harmony District

Five Schools Visited Thursday By Representatives From County Department—Improvement Is Shown.

Dr. C. P. Fryer of the Nodaway County Health Department, Miss Margaret Davison, Miss Edith Cramer and Miss Bertha Parrish, health nurses, inspected students in the Harmony consolidated district Thursday. Champaign, Excelsior, Common Sense, Casteel and Pioneer were the schools visited. Except for the beginners and those who had moved in the district within the last few months, the health department had a record of all the students in the schools. In this way, they are able to note the progress. After defects are noted, medical treatment is suggested.

An improvement in the health condition was shown in the Harmony district.

Appoints Delegates to Pan-American Meet

Kirksville And Poplar Bluff Men Name By Governor Baker—Living Former Executives Invited.

Jefferson City, Sept. 26.—M. C. Schyack of Kirksville and J. S. Grayos, Poplar Bluff, today were appointed by Governor Baker to be delegates to the Pan-American Congress to be held in New York December 14-17.

The governor furnished the Congress the names of the six living former governors, who will be invited to the conference. They are A. M. Dockery, Gallatin; David R. Francis, Herbert Hadley, Elliot Major and Frederick Gardner, St. Louis and Arthur M. Hyde, Trenton.

Howard Manning and J. N. Carter and son of Skidmore were in Maryville yesterday.

BIG DOCKET OCT. TERM

THREE HUNDRED CASES FILED FOR COMING SESSION.

18 DIVORCE CASES

Circuit Court Opens Monday, October 5, and Set To Run For Sixteen Days.

The October session of the Nodaway County Circuit court will convene October 5, with one of the biggest dockets confronting it in recent years, perhaps in its history. There are 300 cases listed in the docket, just off the press today, and the circuit clerk has set court to run sixteen days to October 22.

The October session is characterized by the unusual number of divorce suits, there being eighteen filed for this term. Damage suits come in for a good run at this session under the trial docket, seventeen being filed that will probably take up considerable time.

Under the parole docket there are twenty-five cases; 109 cases on the equity docket, which includes twenty-four naturalization hearings; forty-three cases on the criminal docket and 123 on the trial docket. Three injunction, three condemnation and one mandamus cases are set for hearing at this term.

Those on the parole docket are: Charley Smith, Oakley Markham, B. R. Kinsley, Byron Estes, Ralph Ripley, Harold Jones, Floyd Decker, Claude Decker, Fred C. Shell, E. R. Zemke, Arthur Hawkins, Leslie G. Burgess, Joseph Rossi, John Pitts, Benjamin Pitts, Delmar Lance, Oscar Emery, Dale Bailey, Earnest Kelley, Almond Adkins, Harry Gray, Lester McKnight, George Schultz, Clyde Horn, Wilson Bradley.

The eighteen divorce cases are listed on the docket as: Ernest D. Kelley vs. Evelyn Kelley; Frank Alumbaugh vs. Mary Louise Alumbaugh; Minnie Auffert vs. J. H. Auffert; Hattie Opal Purdy vs. William H. Purdy; Zola Clark vs. Wilbur Clark; Lawrence Potter vs. Carrie C. Potter; Joseph C. Kemp vs. Dorothy P. Kemp; Inez Kessler vs. Perry E. Keesler; Otis McNeal vs. Dora E. McNeal; Lucile Warner vs. William Warner, Raymond Forney vs. Neva Forney; Alfred B. Kingery vs. Anna Kingery; Mary Kendall vs. Everett Arthur Kendall; Vida Hobson vs. Alfred Hobson; Verda Viola Irby vs. George Lewis Irby; Mildred M. Powell vs. Robert C. Powell; Bert Pierson vs. Mattie Eva Pierson; and Luther C. Eckles vs. Mattie Mardman Eckles.

Also on the equity docket there are twenty-four naturalization cases. Those seeking naturalization:

Mary Elizabeth Lauer, Mary Idda Hacki, Mary Dominica Eberhart, Mary Coletta Rast, Mary Theela Wendi, Mary Stephania Clausen, Mary Helena Heil, Mary Ancilla Luibrand, Mary Lidwina Klumpp, Mary Pie Imwinkelried, Mary Celestine Holl, Mary Romana Moritz, Mary Ferdinande Volkwein, Mary Willinalda Eichenhofer, Mary Remberta Denzel, Charles Edwin Wells, Clifford Edwards.

The forty-three criminal cases are listed under nineteen different violations of the law. The violations of the prohibition laws lead, with eleven cases for possession of intoxicating liquor, one for violation prohibition law; four cases for transportation liquor and three for sale of intoxicating liquor. The other criminal cases are listed as:

Two for grand larceny, one for mistreatment of child, two on burglary and grand larceny, four on violation of motor vehicle law, one on child abandonment, one on wife and child abandonment, one for tampering with automobile without permission, one for assault with intent to rape, one for disturbing peace of person, three on common assault, one for assault with intent to kill, one for setting up and keeping a gambling device, two for petit larceny, one for receiving stolen property and two on assault charges.

Christian Endeavor Program Announced

Miss Esther Roseberry is the leader at the Christian Endeavor meeting to be held at the First Christian Church at 6:45 o'clock tomorrow night. The subject is "Christian Friendliness to South America." Talks will be made by Misses Willetta Todd, Roberta Cook and Sylvia Moore. C. E. Wells will give a talk on "Our Relations with South American Countries," Zelma Neal and Doris Snodgrass will give a piano duet.

Convention Plans Are Now Being Completed

Des Moines Branch of Woman's Foreign Missionary Society To Meet Here October 8-11.

Arrangements for the forty-second annual meeting of the Des Moines Branch of the Woman's Foreign Missionary Society, to be held in Maryville, October 8-11, are nearing completion. Members of the Maryville churches who expect to or will entertain friends or relatives who are delegates to the convention are asked to notify Mrs. W. O. Garrett, chairman of entertainment, or Mrs. S. J. Donahue.

A partial list of the local committees includes: General Chairman, Mrs. Charles Gaugh; chairman of entertainment, Mrs. W. O. Garrett; publicity, Mrs. Guy Haller; young people's work, Mrs. C. C. Leeson; junior work, Miss Ruth Matter; and church arrangement, Mrs. H. E. Wright.

Much Improvement in School Campus

The campus of the Maryville High School this fall is quite a contrast to that of a few years ago when there was nothing but a bare cinder space to look upon. Now flowers and bushes adorn the lawn. The variety of flowers and the majesty of the bushes along the winding sidewalks, as well as the clinging vines on the building have attracted the eye of many passers-by and caused much comment of gratitude to the school administration and to the agriculture class for the upkeep of the campus.

About three years ago the space in front of the building was a play ground and there was not "a blade of grass which nature could call her own."

The attractiveness of the campus was brought to fact by faculty members and some students making observations.

School Inspections Again Being Made

The Nodaway County Health Department is again making inspection of the rural schools in the county. The work is progressing slow, Dr. C. P. Fryer, county health officer, said today, due to the fact that information in regard to the children which the department requested in August, has not been received from many of the schools.

The department would appreciate it if the teachers in the schools would send in a list of pupils, designating the school where each child had formerly been examined. Dr. Fryer and the two nurses, the Misses Margaret Davison and Edith Cramer, are making examinations of the children for physical defects and making inspections of the sanitation and water supply at each building.

The staff of the Health Department was at Harmony on Thursday and yesterday visited at the Hagey and Eudora, the latter two schools being remodeled so the lighting arrangements would conform to the state specifications.

Bandits Get $5,500 in K. C. Kan. Holdups

Cudahy Packing Co. Messenger and Cigar Store Owners Are Victims of Payroll Robberies Today

Kansas City, Sept. 26.—Four bandits obtained $2,000 from three payroll messengers of the Cudahy Packing Co. here this morning.

The first messenger was taking the money from a bank and was accompanied by two guards. At a viaduct, their car was forced into the curb and four bandits demanded the money. There was no struggle.

In a second hold-up later in the day, two bandits entered a motor car driven by Emil Lechner, cigar store owner, forced him to drive to Argentine, a suburb, and robbed him of $3,500 in cash and his car.

Three Men Trapped by Mine Explosion

One Is Badly Burned But Condition not Believed Serious—Rescue Crews Sent After Victims.

St. Louis, Sept. 26.—Three men are believed to be trapped following an explosion in a mine near Herrin, Ill., W. J. Jenkins, president of the Consolidated Coal Co., was advised this afternoon.

One miner, badly burned but not believed in a precarious position, has been rescued from the mine. Rescue crews have been sent in to search for the others.

The explosion was probably caused by gas, Jenkins said, although he thought no serious damage had been caused to the mine.

K. P. MEETING HERE MONDAY

FROM FORTY TO SIXTY EXPECTED TO ATTEND.

PROGRAM IS ARRANGED

Officers Of District Association To Be Elected—C. Of C. To Furnish Auto Trip Over City.

Between forty and sixty delegates are expected to attend the district convention of the Knights of Pythias lodge to be held here Monday.

Representatives of the fourteen lodges in Northwest Missouri, outside of Maryville, will probably be present.

The convention will open about 1 o'clock in the afternoon. The delegates will be taken for a sight-seeing trip over the city. D. A. Caldwell, secretary of the Maryville Chamber of Commerce, is in charge of arrangements for this part of the program. The cars will be furnished by the transportation committee of the local Chamber of Commerce of which Dick Strong is chairman.

A. B. Jackson, grand chancelor of the lodge, will attend the convention and deliver an address at the afternoon meeting. He may also speak at the banquet at night.

After the automobile trip, which will include the various points of interest in the city and surrounding territory, a business meeting will be held at the lodge rooms. District officers for the coming year will be elected. At the present time, Dr. J. L. Cox of Fortescue is president and Perry A. Brubaker of St. Joseph, secretary of the district organization.

The welcome address will be delivered by the Rev. T. J. Puckett.

A banquet will be held in the dining room of the First Christian Church at 6 o'clock Monday evening, and a state officer of the lodge will deliver the principal address.

The delegates will also attend the opening program of the third annual Fall Festival, which begins here Monday.

Mrs. Samuel Ingels Dies This Morning

Pickering Woman Succumbs Following Short Illness—Funeral Services to Be Held Monday Afternoon.

Mrs. Maria Jane Ingels, wife of Samuel Ingels, died at 4 o'clock this morning at her home, three miles northwest of Pickering, following a short illness of a complication of diseases. Her condition was critical only a few hours. Funeral services will be held at 2 o'clock Monday afternoon at the Pickering Methodist Church, conducted by the Rev. E. W. Croy. Burial will be in White Oak cemetery.

Mrs. Ingels was about 70 years old. She had lived on the farm where she died for a number of years. Surviving are her husband and ten children: Alva Ingels, Mrs. Tom McClurg and Ernest and William Ingels, Pickering; Mrs. Myrtle Gillispie, at home; Mrs. Ira Neal and Mrs. Ed Schooler, Maryville; Mrs. Ed Laughlin, Lenox, Ia., Mrs. O. A. Lincoln, Auburn, Neb., and Ben Ingels, Hopkins. Two brothers and two sisters also survive.

Continues Questioning of Shenandoah Crew

Effort Made To Confirm Statement That Gas Cell Ruptured Before Collapse of Dirigible.

Lakehurst, N. J., Sept. 26.—A pall of gloom hung over the naval board of inquiry today at the news of the disaster of the submarine, S-51, off Boston, when the court reconvened to continue its investigation into the breaking in two of the dirigible Shenandoah.

The court continued its questioning of Shenandoah survivors in an attempt to confirm the statement of Joseph Collier, chief rigger, that a gas cell was ruptured before the airship's collapse.

RUSHING WORK ON HIGHWAYS

ST. JOSEPH-K. C. ROAD FINISHED BY JANUARY 1.

RAPIDLY FILLING GAPS

This Will Mean Only Twenty Miles Unpaved Road Between Here And K. C.

St. Joseph, Sept. 26.—That the paved road between Kansas City and St. Joseph would be completed in time for public use before winter was the unexpected announcement made here today by state highway officials.

Because of delays due to heavy rains and slow shipment of material it had been feared the remaining gap in State Highway No. 50 could not be completed before spring.

The highway officers are confident that with the larger shifts now at work on the unpaved stretch between Saxton and Gower, the work will be finished before the first of the year.

The link of the St. Joseph-Kansas City highway between Gower and Saxton, which will complete the road, is only 9.84 miles long. A slab of paving 2.29 miles in length already has been laid, leaving only slightly more than seven miles to be laid.

The road gangs now are working on six miles of the uncompleted stretch, leaving about one mile on which no work has been done.

If this road is completed by the first of the year, there will be only twenty miles of unpaved road between Maryville and Kansas City. The stretch between Savannah and St. Joseph, now under construction, is expected to be completed within the next three months.

Argonne Anniversary Is Almost Unnoticed

Meanwhile, Debt-Funding Commissions Of France and America Are Striving For Solution.

Washington, Sept. 26.—Seven years ago today, the Americans began their supreme offensive in the Argonne, which was the beginning of the end of a war, which France had almost given up hope of winning.

Today, the anniversary of the Argonne offensive, which cost America 115,529 lives, passed almost unnoticed among the debt envoys of the two governments as they wrestled with figures, statistics and hard facts of economics and fiscal analysis.

Negotiations between the two debt commissions were temporarily at a standstill today while both sides took counsel among themselves of their respective plans for funding the four-billion-dollar debt France owes the United States.

Mrs. Van Steenbergh Very Low.

Mrs. G. A. Van Steenburgh, who is ill of double pneumonia at the home of her sister, Mrs. Ida Armstrong on North Mulberry street, was very low this afternoon. Her son, Harold J. Van Steenburgh, will arrive in Maryville tonight.

Allen Haller Slightly Improved.

The condition of Allen Haller, who was found in an unconscious state yesterday morning in the barn lot at his home, southwest of Wilcox, was slightly improved today. He regained consciousness this morning.

The Weather

Unsettled weather with probably showers tonight and Sunday not much change in temperature.

LESS HOPE OF RESCUING MEN

FEAR FOR LIVES OF SUBMARINE CREW OF 34.

DOWN IN COLLISON

S-51 Is Rammed by S. S. City of Rome and Immediately Disapears Under Waters of Atlantic.

Washington, Sept. 26.—A diver who went down around the hull of the sunken submarine S-51 was unable to raise any communication with the thirty-four officers and men cutomed inside, according to a report to the navy department this afternoon from Rear Admiral H. H. Christy.

The diver reported a large hole at port side of the S-51. Admiral Christy's message to the navy department said:

"Diver reports the S-51 is resting on keel inclined to port; attempts to communicate with crew unsuccessful. Large hole in port side aft the coning tower."

While many officers here said that the information thus obtained did not necessarily indicate that the officers and men aboard had perished, they admitted it made their chances "look bad."

Boston, Sept. 26.—The submarine S-51, which sunk last night in a collision with the S. S. City of Rome, has been located about one and a half miles from the spot where the accident occurred, according to radio reports received at the Charleston navy yards today.

Vessel Buoyed Up.

According to the radio message, the submarine had been buoyed up for vessels sent to aid the ill-fated craft.

The radio message follows:

"The wrecked submarine S-51 located and buoyed about one and a half miles southwest of reported position.

Washington, Sept. 26.—A naval court of inquiry will be appointed shortly to fix the responsibility for the sinking of the submarine S-51, with a probable loss of thirty-four officers and men, Secretary of Navy Wilbur announced today.

New London, Conn., Sept. 26.—The luck of the navy stands today as the one last hope that the thirty-four men who went down with the submarine S-51, when she was rammed by the S. S. City of Rome last night, may still live.

Hopes for the rescue of the men hang on reports of a patch of oil.

Captain Dichi of the City of Rome reported that a spot of oil was the only trace of the S-51 as she went down. Ordinarily this would mean that the submarine had been punctured and sunk, with her crew drowned by the inrushing flood of waters as she plunged to the bottom of the sea.

No Oil Trace Found.

Later reports, however, received from the navy vessels searching for traces of the S-51 stated that no traces of oil had been found on the waters where the S-51 went down. This fact was immediately seized upon by officers here and buoyed up their hopes.

They believe, if possible, that the crew immediately after being rammed was able to close the water-tight compartments and hatches. In water-tight compartments and with sufficient air in the chamber to keep the men alive for hours, there was hope that the men might be rescued.

The coasts charts indicated that the water where the S-51 sunk is but 127 feet deep and officers are of the opinion that if the submarine can be located., it will only be a few hours before she can be raised to the surface, possibly liberating many of the thirty-four men who went down with their ship.

Salvaging Ship On Way.

A salvaging ship has already been dispatched from Boston and it is hoped that operations for lifting the sunken submarine may start this afternoon. The navy department has authorized the use of private salvaging vessels and the hiring of divers and no efforts will be spared to learn at the earliest possible moment the fate of the men.

Navy surface vessels, submarines and aircraft are searching the waters in the vicinity of the disaster, still striving to locate the submerged submarine or evidence of its wreckage.

Once the vessel is located, officers state that it will be easy to establish signal communications with its crew if they still live. Delicate instruments for submarine communication and sound detectors are on board the ship.

AN EDUCATIONAL WORK.

Izaak Walton has been dead more than two hundred and forty years, but his memory has never died out of the hearts of the lovers of the great out doors. Today the name of Izaak Walton has taken on a wider, deeper meaning.

The Izaak Walton League of America has taken up the work of education to the end that out door sports that the original Izaak loved shall be more than just a memory to those of us living and but a tale that is told to those who are to come; that the Forests of this America shall not disappear as did the forests of China; that what little is left of the primitive forests shall not be destroyed and that the cut-over land shall again be clothed with the grandest of nature's covering; that of the wild flowers, the song birds, the wild animals life shall not be effaced from the land we love; that our streams shall be kept pure and unpolluted; that our fish life shall be restored to its former abundance; that there shall be more effective protection against fire in our remnants of forest lands.

This not only because of the commercial value and the economic need of timber but because we cannot have pure streams without forests. There are many substitutes for wood but there is much in life that is valuable which cannot exist without trees. No town should be without a chapter.

SETTING A GOOD EXAMPLE.

Nothing will help a town more than a spirit of good feeling and co-operation among its merchants. A few days ago Emery, Bird and Thayer, an old and substantial firm in Kansas City, celebrated its 62nd anniversary in business and a half dozen competitors published a page advertisement in the Kansas City papers congratulating Emery, Bird and Thayer on their long and honorable existence. This is a fine example of broad spirited merchandising. It is the kind that will join together and overcome any business depression a city may suffer. It is the kind that will devise ways and means to bring business into town without thought of which one will get the most when it gets there, and it is the kind that will join together and protect themselves against crooks and deadbeats when good business demands it. It is the kind that relizes that the all important thing is the life and activity of their city and that when it is alive, they all live together and that, when it is dead, they all die with it.

The chicken population of the United States is placed at 400,000,000—four each for every man, woman and child. They would make a procession 100,000 miles long and, if properly handled, would lay enough eggs to reach from the earth to the moon and back again.

The price of diamonds is said to be increasing and this will soon apply to black diamonds as well.

The aviator who flew at the rate of five miles a minute was flying all right and didn't have much time to see the country.

The writer has a distinct advantage over the reader in the case of Saklatvala. The writer doesn't have to pronounce it.

What a power the women are when they get the same notion. They bobbed their hair and ruined the hair pin industry and they cast off their clothes and closed up the corset factories.

Watsontown, N. J.,—After losing considerable portion of her hair as it was caught in the wringer of an electric washing machine, Mrs. Harold Wolf managed to shut off the motor. She required medical attention.

STEWART'S WASHINGTON LETTER

By Charles P. Stewart
NEA Service Writer.

Washington—What politicians say and what they really think are often two quite different things.

For instance, Republican politicians say they expect their party to gain control of the Senate at the next Congressional election.

Also, for instance, Democratic politicians predict that their crowd will gain control of the house.

It isn't a bit likely that either group actually thinks any such thing.

When the Republicans speak of controlling the Senate, they mean genuine control. They control it on paper now, but they can't depend on all their own votes—that is, the votes of independents only nominally classed as Republicans.

The way they tell it, the agricultural states are so much more prosperous than they were that radical sentiment has subsided and they're confident that these states will choose "regular" Republican in place of "insurgent" Republican senators in 1926.

The point the Republicans neglect to stress is that all the chances favor their loss of at least six Senate seats to the Democrats and that there's no prospect the Democrats will lose any seats to them.

Seven Democratic senators' terms will expire next year and all will succeed themselves or be succeeded by other Democrats. This is certain because the selections will be made by the voters of Alabama, Arkansas, Florida, Georgia, Louisiana and North and South Carolina, and they always do select Democrts.

At the same time the terms of 25 Republican senators will expire and the states they represent include Arizone, Colorado, Kentucky, Maryland, Missouri, and Oklahoma, which generally select Democrats.

Besides this, the Republicans will have to fight hard in Idaho, Nevada, New York and Utah.

The Democrats may make some gains in the lower house.

They hold few, if any, seats representing normally Republican districts and the Republicans do hold a number of seats representing normally Democratic constituencies—three in Kentucky, two in Maryland, seven in Missouri, two in Oklahoma, two in Tennessee and one in Texas. The Democrats may gain some of these but hardly enough to give them control unless there should be a landslide, of which there's no suggestion of at present.

SOCIETY

Mrs. Mutz Hostess

Members of the I. X. L. Embroidery Club were entertained yesterday afternoon at the home of Mrs. Harry Mutz on Lawn avenue. The hostess served a two-course luncheon at the close of the meeting. Eleven members were in attendance. Mrs. Anna Stauble will be hostess to the club October 14.

Birthday Dinner

Mr. and Mrs. Guy Mutz will entertain with a family dinner tomorrow at their home, southwest of Maryville, in observance of the fifteenth birthday anniversary of their son, Walter Mutz. The guests will include the honor guest's grandparents, Mr. and Mrs. Walter Mutz, and Mr. and Mrs. Ernest Hartness and children.

For Wichita Visitor.

Mrs. Alex Swaney of Pickering entertained Wednesday afternoon in honor of her sister, Mrs. Ralph Johnson of Wichita, Kansas. Music was the entertaining feature and refreshments were served. The guests included the mother and four other sisters of the visitor. They were Mrs. Mollie McKee, Mrs. Delmar Strong, Mrs. Henry Swaney and daughter, Fayrene, Mrs Ward Gray, and Mrs. John Loch.

Missionary Meeting.

The monthly meeting of the Woman's Missionary Society of the Wilcox Methodist Church was held at the church Thursday afternoon. The meeting opened with singing of "More Love to Thee," and Mrs. Dave Zeornes, program leader, read the Bible lesson, "Friendly Counsel on Domestic Adjustment," Luke 10:38-42. After prayer by Mrs. Beryl Mitchell, items from the missionary bulletin were read by Mrs. Charles Broyles. The topic, "Homes and Housing Country Homes," was read and discussed by the members, and Miss Josephine Jenson spoke on "Sisterhood of all the World." Other topics were read by Mrs. Ernest Shelton and Mrs. Gus Sheil. During the business meeting it was reported that $16 was paid on the minister's salary. An all-day meeting will be held in October to make plans for the fall bazaar. Those present were Mrs. Gus Sheil, Mrs. Beryl Mitchell, Mrs. Floyd Huff, Mrs. Ernest Shelton, Mrs. Ralph Brogan, Mrs. Andrew Jenson, Mrs. Fred Winnell, Miss Josephine Jenson, Mrs. Dave Zeornes, Mrs. Charles Broyles and Mrs. B. C. Hall.

Entertain for Gartens.

Mr. and Mrs. O. L. Job entertained a number of friends last night at their home, west of Maryville, in farewell compliment to Mr. and Mrs. Robert Garten, who will leave soon for Denver, Colo. Mrs. Byron Masters and Harry McGinness won the prizes in the games and the consolation favor went to Steve Donahue. Refreshments were served at the conclusion of the games. Those entertained were Mr. and Mrs. C. F. Ashford, Mr. and Mrs. W. L. Job, and family, Mr. and Mrs. Harry McGinness and sons, Mr. and Mrs. Byron Masters and daughter Mr. and Mrs. Robert Garten, Mr. and Mrs. Ray Masters and sons, Mr. and Mrs. Steve Donahue, Mr. and Mrs. Harry Fisher and daughter, Mr. and Mrs. Henry Finn, Mr. and Mrs. Paul Gregory, Misses Helen Strauch, Ella O'Grady, Lucile Masters, Eva Honer Hazel Mitchell, and Will O'Grady and Howard Masters.

Bloomfield Needlework Club.

An afternoon meeting of the Bloomfield Needlework Club was held Thursday at the home of Mrs. Ira Thompson. Roll call was responded to with helpful suggestions for the benefit of the club. After the regular business meeting a short program was given. Members are requested to bring some light and dark cotton scraps with scissors and thimbles to the afternoon meeting which will be held October 8 at the home of Mrs. John McClurg. Roll call will be answered by Bible verses. At the close of the meeting refreshments were served by the hostess, assisted by Mrs Thomas Carmichael. Members and visitors present were Mrs. Martin Carmichael, Mrs. Jewelle Birkenholz and daughter, Mrs. B. C. Clayton, Mrs. Edward Hanna and sons, Mrs. Lester Hollensbe, Mrs. Bryan Hanna and son, Mrs. Burleigh Swalley and son, Mrs. Allan Burks and son, Mrs. Fred Neil, Mrs. Lee Birkenholz, Mrs. Thomas Carmichael; Mrs. Charles Carmichael and son, Miss Della McNeal, Miss Naannie McNeal, Miss Ethelyn Hanna, Mrs. Thomas McClurg, Mrs. Vilas McClurg, Misses Mamie and DeLora McClurg and the hostess.

Highland Club

Mrs. A. R. Robinson entertained the members of the Highland Club at Sunset Hill Wednesday afternoon. During the business hour, Mrs. Robinson gave a report of the district meeting of Womens' Federated Clubs held in St. Joseph, Sept. 19 to which she was a delegate. A radio program was a feature of the entertainment, and the rest of the afternoon was spent socially and with needlework. Refreshments were served by the hostess. The next meeting will be with Mrs. Levi Wallace, October 7. Those present were: Mrs. Frank Hall and daughter, Betty Lee, Mrs. Levi Wallace, Mrs. Wm. Mires, Mrs. Roy Kelley, Mrs. Walter Dickie, Mrs. O. K. Busby, Mrs. Foster Wallace, Miss Ruth Matter, and the hostess.

Industrial Art Club.

Members of the Mt. Pleasant Industrial Art Club held their regular meeting Thursday at the home of Mrs. Glen Jones, a former member, south of Maryville. Quilting was the diversion for the day and dinner was served in cafeteria style at noon. In attendance were the following club members: Mrs. Ed Wiley, Mrs. Pearl Pence, Mrs. Floyd Alexander, Mrs. Harley Cassel, Mrs. George Hantz, Mrs. George Burch, Mrs. E. E. Hunt, Mrs. Loren Hackett, Mrs. Barley Gray, Mrs. Addie Hackett, Mrs. Marion Gray, Mrs. Charles Stafford, Mrs. Will Hanna, Mrs. Joseph Farrar, Arcile Gray, and Eugene Hunt. Additional guests were Mrs. Fred Wyatt, Mrs. Vern Jones and daughter, Ruth, Mrs. Mike Baker, Mrs. Albert Carr, Mr. and Mrs. F. W. Jones, and Mrs. Byron Hanna. The next meeting will be with Mrs. Pearl Pence October 8.

Mrs. Martin Here.

Mrs. W. T. Martin of Albany, who will address members of the Maryville and Hopkins Chapters of P. E. O., and a number of guests of the former chapter late this afternoon at the Country Club, arrived in Maryville last night. The speaker is a guest at the home of her cousin, Mrs. Robert Larmer, on North Buchanan street. The luncheon, to have been given at 1 o'clock, was postponed until after the arrival of the Hopkins members on the afternoon train, the roads being too muddy for motoring.

College Reception.

About 300 students attended the reception which the faculty of the State Teachers College gave last night from 8 to 10 o'clock in the administration building for the student body. The guests were received on the second floor corridor by President and Mrs. Uel W. Lamkin, Miss Nelle Hudson, Dean G. H. Colbert and Dean Edith A. Barnard. Upon entering the library the students were grouped into three families bearing the names of Big Nut, Lemon and Dumbbell. Stunts by the various families furnished the mode of entertainment, which was in charge of Miss Helen Manley. Bernhardt Bronson, and Miss Helen Dvorak gave a program of voice and violin selections, in the auditorium. The guests later returned to the library where punch was served from three tables, decorated with petunias, zinnias and other fall blossoms. Among those serving were Miss Minnie B. James, Miss Gladys Andrews, Miss Daisy Countryman, Miss Anna Painter, Miss Chloe Millikan, Thomas H. Annett, Henry A. Foster, Miss Katherine Franken, Miss Mattie Dykes, Miss Ruth Lowery, Miss Ruth Jean Souter, Miss Mary Terhune, Miss Laveta McClanahan, Miss Margaret Franken, J. W. Hake, R. A. Kinnaird, E. W. Glenn, and A. J. Caulfield. Dancing was the concluding feature of the evening.

Hosts at Dinner.

Mr. and Mrs. L. P. Colvin were hosts at a dinner last evening at their home on South Market street in honor of Mrs. L. J. Richards of Chicago, who is the guest of Maryville friends. Other guests were Mrs. Mayme Clardy and daughters, Leota and Mildred, and Miss Nettie Beaver.

Wilcox Rebekah Lodge.

A surprise supper for members of the Wilcox Rebekah Lodge who participated in the play presented at Burlington Junction recently, was given last night. The regular session preceding the supper was in charge of the noble grand, Mrs. Margaret Hill. About twenty-five members were present.

STAR SCHOOL NOTES.

The present enrollment of our school is seventeen. All grades except the eighth are represented. The attendance record is showing up well.

The first program of the year was given Friday afternoon. The program was arranged by the "A" class and consisted of songs, piano music, readings and dialogue. These programs will be given from time to time and the patrons and friends are invited to attend.

Visitors are always welcome.

Ray Miller, Alton Logan and Paul Swinford have been building a barn on the school grounds this week.

The Agriculture class is completing the fruit surveys and studying fruit production as a whole.

The "C" Language class has prepared booklets for use in picture study.

Mr. Somerville and Mr. Godbey, the State inspector, visited us Friday morning. They were well pleased with our school and premises and will recommend us to the State Department for first class approval.

Some of the improvements that have been made since last year are window lighting changed, new curtains, walls retinted and wood work varnished, flag, pictures framed, which makes a pleasant room to work in.

Ray Miller and Alton Logan worked at the school house Friday morning, putting kindling into the basement and doing some repair work.

A truck load of coal was put into the basement Friday afternoon.

Finish Numbering of U. S. Highways

Joint Board of Federal and State Officers Perfect Road System.

St. Louis, Sept. 26.—Numbering of the highways of the United States was completed at a meeting of the sub-committee of numbering of the joint board of the American Association of State Highway Officials and United States office of public roads here yesterday. The joint board was appointed by Secretary of Agriculture Jardine.

The sub-committee follows: E. W. James, United States office of public roads, Washington, D. C.; F. T. Sheets, Illinois; Cyrus G. Avery, Oklahoma; Charles H. Moorefield, South Carolina, and B. H. Piepmeier, Missouri.

The committee designated all east and west roads by even numbers and all north and south roads by odd numbers. In general, the order of numbering is from the Canadian line to the gulf, and from the Atlantic coast to the Pacific.

Principal roads have been designated with units of tens, such as 10, 20, 30, etc., for east and west roads, and 11, 21, 31 for north and south roads.

The number selected for the road to pass through Maryville is 71. A dispatch from St. Louis gives this route as International Falls, Bemidji, Spirit Lake, Carroll, Red Oak, St. Joseph, Kansas City, Joplin, Fort Smith, Texarkana, Shreveport, Alexandria and New Orleans.

Sheriff's Office Now Boasts of a Brand New Stove

There has always been one office in the courthouse that always has been "blacklisted" as a loafing place in the winter time—the room in the northwest corner listed on the door as the "Sheriff's Office."

For years the men occupying the position as sheriff, and the deputies, have hovered around in the room on cold days, bundled in overcoats and heavy shoes. The one radiator in the room could never give off enough heat to keep the temperature at a comfortable mark.

But it is different now. Sheriff Campbell said he wasn't going to freeze this winter as he did last and now a stove has been installed. Harve England said it did not make him a bit mad and Gus Romasser, who has been a deputy for many years, seems much elated.

Chance for Coolidge Coming by Here

If President Goes To Omaha By Way Of St. Louis, He May Pass Through Maryville.

Yesterday's St. Louis Globe-Democrat says while the itinerary of President Coolidge on his forthcoming trip to Omaha has not been finally arranged, it is learned that there is a possibility of his passing through St. Louis on the way west.

The Globe-Democrat says:

"St. Louis has been considered by those preparing the route, and Coolidge is understood to feel favorably toward St. Louis. This is perhaps due to the fact that he will visit Chicago early in December to attend the national gathering of the Farm Bureau Federation. The Chicago route to Omaha is shorter, but it may be decided to route him through St. Louis.

"There will be no stops en route, save those necessitated by train operation, so the President probably would get but a fleeting glimpse of St. Louis or perhaps tarry there a very brief period while switching from one road to another. He is due in Omaha October 6, and to be there on the morning of that day he will have to leave Washington on October 4, probably on a night train."

If President Coolidge should come by St. Louis, there is a chance he might come over the Wabash, which passes through Maryville, on its way to Omaha.

Cooper Gooden Is Back Home After Extended Absence

Cooper Gooden has come back home!

This mere fact in itself might not be of much importance to those who do not know Nodaway County's youngest old man. To those in the "know," however, it means that Mr. Gooden has returned after his longest absence from Maryville in a quarter of a century.

For the last seven weeks, Mr. Gooden has been living and working on farms in the vicinity of Ravenwood, while their owners went to Ohio and Minnesota.

He returned to Maryville Wednesday but had been confined to his home on account of illness since that time. Today was his first trip up town since his "exploring" in the eastern part of the county.

Dies After Accident at Baseball Game

Charles Neal Succumbs Early This Morning Near Fairfax—Struck by Baseball in Game Sunday.

Charles Neal, son of Mr. and Mrs. A. T. Neal, living on North Mulberry street, died about 2 o'clock this morning near Fairfax. The young man was hit in the back by a ball last Sunday while playing baseball near Fairfax and after the accident was removed to a neighbor's home where his death occurred this morning. He never regained consciousness.

The body will arrive in Maryville tonight on the Wabash train.

Arrangements for the funeral have not been completed. The young man was about 19 years old. Besides his parents, he is survived by one brother and four sisters. He had been working on a farm near Fairfax.

Half Inch of Rain

One-half inch of rain fell last night, according to J. R. Brink, official weather observer.

Many Fatalities by Automobiles

The American Railroads have earned the right to be considered authorities upon the matter of safe operation. During the year 1924 there were 149 fatalities only among the 931,000,000 persons carried, or one fatality for every 6,314,000 persons carried safely. This result reflects the intelligent and persistent efforts of railroad officials to operate their properties safely and indicates that safety is far more than a phrase in railroad parlance.

There are over 18,000,000 passenger and commercial automobiles using our highways today, with approximately 19,000 fatalities and 450,000 injuries per year. That there is gross incompetence and reckless operation of automobiles upon our highways is beyond question. We can well afford to most seriously consider and apply the American Railway Association's grade crossing slogan, "Cross Crossings Cautiously." Caution at railroad crossings will beget caution elsewhere. Those who will not voluntarily be cautious should be driven from the highway.

A Slight Omission.

A few minutes after an alarm of fire was given in a hotel, one of the guests joined the group that were watching the fire, and chaffed them on their apparent excitement. "There was nothing to be excited about,' he said. "I took my time about dressing, lighted a cigaret, didn't like the knot in my necktie, so I tied it over again—that's how cool I was."

"Fine," one of his friends remarked, "but why didn't you put on your trousers?"—From Everybody's Magazine for October.

Miss Teagarden Tells of Her Trip to Beirut, Syria

The following story concerning Miss Irene Teagarden, former instructor in the State Teachers College here, is taken from this week's issue of the Presbyterian Church Builder, the official organ of the local church:

Miss Irene Teagarden, for two years in the Home Economics Department of our College and a good worker in our church, sailed August 28th for Syria. The following letter has been received. It is dated September 11th, and mailed at Marseilles, France. It will make vivid to us all the experience of a new missionary on the way to her field. Miss Teagarden sailed on the S. S. Canada of the Fabre Line.

"We are having a most delightful trip. The weather has been almost perfect and the sea well-behaved, except two days when it was "agitated." I felt slightly agitated on those days but did not miss any meals. I am having a fine rest, for which I am grateful. It has been chilly and even cold on board until yesterday, when it was warm again. I am prepared for three months of Missouri weather now. They say the fruit trees in Syria bloom in February, so we don't have much winter.

"There are a number of celebrities on board; teachers in the American University of Beirut; United Presbyterian missionaries to Egypt; engineers to irrigation projects in Spain, a Turk M. D., going to Alexandria, American Embassy people, Y. M. C. A. men going to Jerusalem, Jews returning to Palestine, archeologists and geologists going to study the region between the Tigris and Euphrates rivers, to say nothing of French and Portugese returning to their homes. We have a great conglomeration of tongues, and I feel stupid linguistically. Everyone is fairly well acquainted with everyone else, and we are having a great time.

"We stopped at the Azores September 4th and 5th, and at Lisbon, September 8th. We went ashore and saw the sights. The sight of land once more didn't thrill me nearly so much as getting out on the open sea did. I love the water and we have had glorious sunsets and moon light. We stop at Marseilles tomorrow and shall stay for four days. We expect to see all the points of especial interest. I am armed with a huge sheaf of frames. We stop at Alexandria September 19th, and arrive at Beirut, September 21st. At Marseilles we are taking on board six hundred French soldiers going to Beirut to care for some trouble there. So we shall be well protected! It seems that the Druse tribesmen are making trouble.

"Will you greet the Guild for me and give them my best wishes. I shall write to them later when there is more to tell about Beirut. I shall think many times of the church people and Guilds in Maryville, and shall carry with me the inspiration of having worked with them. I shall be very happy to hear from them, and shall count on their prayers."

Miss Teagarden's address is Care of the American Mission, Beirut, Syria.

At The Baptist Church.

At the Baptist Church Sunday school tomorrow morning at 9:30 o'clock promotion day will be held throughout the school. The whole school will assemble for the special closing program. At the morning service, the pastor, the Rev. Guy L. Prather will have as his subject "God Dwells With Men." At the evening worship the sermon subject will be "Restore to Health." B. Y. P. U. at 7 o'clock.

Mrs. J. W. Toel and Mrs. W. J. Montgomery are spending the day in St. Joseph.

M'CAMMON TO JUDGE CALVES

CHOSEN FOR JUDGE AT BABY BEEF SHOW HERE TUESDAY.

13 BEEVES ENTERED

Five Best Calves Selected Here Will Be Entered As County Group At St. Joseph Show.

Owen McCammon, vocational agricultural instructor in the Stanberry High School, will judge the calves entered by the members of the 4-H Clubs in the Nodaway County Baby Beef Show, that will be held next Tuesday in connection with the Maryville Fall Festival, J. Ross Fleetwood, county agent, announced this morning. Mr. McCammon is a graduate of the College of Agriculture of the University of Missouri and in 1923 he was a member of the Missouri College of Agriculture team that competed in the stock judging contests at the International Livestock Exposition held at Chicago.

There will be thirteen baby beeves entered in the county show, according to the latest check-up at the county agent's office this morning. Aberdeen-Angus breed will predominate in the entry list, as eight members of the Baby Beef Club have fed Angus calves for this show. Besides the eight Angus there will be four Shorthorn calves and one Hereford entered in the show.

The calves will be kept at the Star Barn while in Maryville. The judging will take place at 9 o'clock Tuesday morning when the calves will be lined up on Main street, west of the courthouse. All of the calves entered in the county show will be shipped Tuesday evening to St. Joseph for entry in the Interstate Baby Beef Show, to be held at the stock yards there the following three days. At the county show the five best calves will be chosen to be entered as a county group at the St. Joseph show.

The boys and girls entering calves in the county show were expected to meet in Maryville this afternoon and accompany Mr. Fleetwood to the C. D. Bellows farm, south of Maryville, to judge three classes of steers for the purpose of determining who shall comprise the stock judging team from this county that will compete in the stock judging contests at St. Joseph next week.

Calves will be entered in the county show here next Tuesday by:

1. Max Wray, Hopkins—Angus calf.
2. Donald Wray, Hopkins—Angus calf.
3. Ross Lyle, Parnell—Angus calf.
4. Hardy Lyle, Parnell—Angus calf.
5. John Kennedy, Jr., Parnell—Shorthorn calf.
6. Clifford Froyd, Bedison—Angus calf.
7. Leonard Froyd, Bedison—Angus calf.
8. Roy Eldon Moore, Ravenwood—Angus calf.
9. Martin Lyons, Maryville—Angus calf.
10. Fay Woodson Null, Maryville—Hereford calf.
11. Lola Acklin, Graham—Shorthorn calf.
12. Myron Crater, Ravenwood—Shorthorn calf.
13. Raymond Crater, Ravenwood—Shorthorn calf.

PRES. WIFE TO LEGION MEET

MRS. COOLIDGE TO ACCOMPANY HER HUSBAND TO OMAHA.

COOLIDGE TO SPEAK

Chief Executive Will Give Address Tuesday, October 6—All Arrangements Are Made.

Omaha, Sept. 26.—Mrs. Calvin Coolidge will accompany her husband, President Coolidge, to the American Legion national convention in Omaha in October, and will be by the side of the President in all the activity of her husband during the convention, according to an announcement of the committee having the presidential visit in charge. The program of the President's movements in Omaha has not yet been settled, but Mrs. Coolidge will take part in them, whatever they may be, it is announced.

It is known that the President will speak to the Legion convention at 11 o'clock, Tuesday morning, October 6. It is also known that the President will be in the reviewing stand for the Legion parade, which starts at 2 o'clock Tuesday afternoon and will probably require from four to five hours to pass the stand. Mrs. Coolidge will be with her husband at the convention and also in the reviewing stand. The presidential party will leave Omaha on the return trip to Washington some time during Tuesday evening, but this time has not yet been announced. Other activities of Mr. and Mrs. Coolidge while in this city are not yet ready for publication.

Long-distance weather forecasts for the convention dates are for perfect weather. The fall rains are already out of the way in the trans-Missouri territory and nothing but perfect weather is now expected. Bright sunshine with just enough "tang" in the air to make life worth living is the forecast for the dates of the convention.

Everything is in readiness for the big convention. The details of the four big parades, the twenty immense ammunition dumps for the fireworks, the cowboys and the Indians for the wild rodeo, the broadcasting stations, the loud speakers, the electric parade, the 10,000 regular soldiers, the four carloads of captured German war trophies, the fleets of airplanes, the fifty big army searchlights for lighting the great smoke screen, the dozens of forms of entertainment and the hundreds and hundreds of entertainers, to say nothing of the plans for the convention itself, have all been worked out and everything is ready.

Fifty Years Ago

(Taken from Nodaway Democrat, Sept. 23, 1875).

Postmaster Geiger is erecting a fine dwelling, north of the Baptist church in this city.

A light frost on Saturday, Sunday and Monday nights last. We have not learned as yet what damage the replant of corn sustained.

Edward Evans is building a fine stable, having a capacity for feed and stabling twenty head of horses, near the Oriental Hotel.

O. P. Rucker, Esq., of Jackson township stated to us that he raised 300 bushels of oats on five acres of ground. How is this for an oat crop?

John B. Thompson, who lives in the Swinford neighborhood, near the Platte, informs us that the other day, while cutting corn his son, a lad of nine years old, actually climbed up a stalk to the ear, the stalk being sufficiently strong to bear the boy's weight. This seems incredible but Mr. Thompson's veracity is beyond question.

Remember that our county fair commences next Monday, Sept. 27, and continues the balance of the week.

The telegraph office has been removed from R. K. Townsend's grocery store to the postoffice book store.

Our young friend, William H. Davey, is building one of the neatest dwelling houses ever erected in the city.

We learn that Dr. Ford is getting up what he styles an honorary octagonal club society for the purpose of disposing of his fine brick hotel and boarding house to some lucky man for $10. This is something new to us and what it is we can not say but the doctor says it is fair and simple and that it is what might be called nudum pactum.

James Monier, Esq., formerly a prominent attorney of Adel, Dallas County, Ia., has located with us. Mr. Monier has taken rooms and opened up a law office over Snapp & George's Clothing store.

Baker, Saunders & Co., have effected a number of large loans recently for eastern capitalists on Maryville and Nodaway County property, on long time and a moderate rate of interest.

The fine brick residence of Joe Jackson, our popular county clerk and banker, is nearly completed, the brick work being all done, roof on, etc.

It will not be long before Mr. Jackson will move into one of the finest residences in northwest Missouri.

The general Union Sunday School picnic, which took place midway between Barnard and Bolckow Saturday last, was a grand success. Sunday schools were in attendance from Barnard, Bolckow, Fairview, Fox Schoolhouse, Radical Schoolhouse, and Union Schoolhouse. Rev. Chivington conducted the services which consisted of singing by the schools and speaking.

TWENTY YEARS AGO.

The outlook is good for the new garment factory at Maryville. The men at the head of the enterprise have been carrying on negotiations through J. C. Donnell and H. E. Ralston, who have secured all the applications for help in Maryville that will be necessary.

Rev. Homer Marlien Cook, pastor of the Baptist Church in Maryville, has been engaged by the Midland Lyceum Bureau of Des Moines, Ia., to give a course of lectures and sermons at Chautauqua meetings next season. Professor and Mrs. Wilbur F. Starr, formerly at the head of the Seminary Conservatory of Music in this city and Miss Fredda Hastings of Maryville will give concerts under the auspices of the same organization.

The Burlington Junction Horse Show three days last week was a success in attendance and interest manifested.

L. M. Strader of Orrsburg is superintendent of the horticultural department of the Parnell Farmers Institute, and anyone desiring information in regard to any kind of fruit they may wish to bring will find that he will willingly assist them.

Homer Croy of Maryville has been made literary editor of the Independent, a state university paper, and Merrill Otis of Hopkins is to be associate editor.

Eldon W. Irvin, assistant postmaster at Ravenwood, took the examination held by Guy Airy of the Maryville postoffice civil service board last Saturday.

Edward F. Hamlin, W. H. Totterdale, O. P. Wade and Adolph Stauble left Monday for St. Louis, where they are attending the annual meeting of the Masonic grand lodge, E. F. Hamlin is deputy grand master of this district.

They Fight for Crown

Rogers Hornsby, manager of the St. Louis Cardinals, and his stellar first-baseman, Jim Bottomley, are battling it out for the batting leadership of the National League. Hornsby is out to make it six straight championships, while Bottomley hopes to halt the string, even though it would be putting it over on his boss. The great Rogers is shown on the left in the above photo with Bottomley also peering into the camera's lens.

A Freak Ear of Corn Near Tarkio

(Tarkio Avalanche).

In last week's Avalanche mention was made of a freak ear of corn, or rather four ears in one shuck, which was brought in by H. P. Hurst. Clarence Brunk, on the C. V. Shoecraft place, southwest of town has an ear that beats that. The freak shows a large central ear, about the size of the ordinary ear of corn and fully developed. This is surrounded by six other ears of various lengths, all bearing fully developed corn. The base also shows another ear which never developed. This record of seven fully developed ears and one small one is the best yet.

AX MURDERER SURRENDERS

MEEK WHO KILLED CULLEY GIVES SELF UP.

IN JAIL AT MAYSVILLE

Fugitive Is Half Starved When He Comes From Hiding—Does Not Remember Anything.

Maysville, Mo., Sept. 26.—Elze Meek, hunted ax murderer of William Culley, DeKalb county overseer, walked into his farm home, seven miles east of Maysville and surrendered about 5 Friday afternoon.

Half-starved, haggard, dirty and heavy-bearded, Meek showed the strain and privations under which he had existed in the woods and underbrush in the vicinity of his farm after fleeing from the scene of his repulsive crime one week ago yesterday.

Sheriff McMillen, who headed a posse of men operating near the Meek farmhouse, went to the house when the alarm was given that the fugitive had returned and took the murderer in custody. Meek, who was unarmed, offered no resistance.

"I don't know where I've been; I've been lost," Meek replied when the sheriff asked him where he had been hiding since he killed Culley last Friday. On the way to Maysville, however, Meek knew and spoke to persons on the road, Sheriff McMillen said, and gave no sign of having lost his mind.

Footprints Found.

When fresh footprints were found in the vicinity of the Meek farmhouse Thursday the posse, which was disbanded the first of the week, was called into service again and the hunt was renewed. Yesterday afternoon the posse spread out and made a "drive" through the wooded sections and fields around and on the Meek farm. No trace of him was found, Sheriff McMillen said, and when the hunt still was in progress when the slayer of the road overseer appeared at the farmhouse and gave himself up.

Meek is being held in the De Kalb county jail here. A formal inquiry into the death of Culley is expected to be held Saturday morning, immediately after which, it was indicated, Meek will be charged formally with murder in the first degree.

While the brutal murder of Culley by Meek has aroused strong sentiment here, as well as elsewhere in the county, no fear of mob action has been expressed by authorities.

100 in Posse.

About 100 men comprised the posse which was called out by Sheriff McMillen Thursday. Bloodhounds, which were taken back to Chillicothe Monday after heavy rains obliterated the trail of the fugitive murderer, were returned to De Kalb county Thursday night. A light rain which fell during the night and Friday morning further prevented them from following the trail.

Rural residents of the county, when informed of the surrender of the ax murderer, expressed their relief at being able to relax after living for a week under the strain of terrorism occasioned by the murder of Culley.

The bringing of Meek to Maysville caused much excitement. Many people gathered here and last night groups of men, women and children, assembled about the jail building, in the streets and business houses to discuss the crime and the surrender of the road overseer's slayer.

Culley Brutally Murdered.

The murder of Culley by Meek, according to best available information, resulted from a disagreement over the manner in which a road was being graded in the vicinity of the Meek farmhouse. Culley was working on a grading machine when Meek, who had borrowed a gun from a neighbor, approached Culley and fired. Culley fell from the grader to the ground. The shot had inflicted a wound on his left arm and his chest, near the heart.

After the shooting, according to reports, Meek went to where Culley lay on the ground, bleeding profusely and in a semi-conscious condition. When he saw Culley was not dead, it was reported, Meek obtained an ax, returned to Culley, crushed his skull with the implement and walked calmly away. The blood-stained ax was found later by investigating officers.

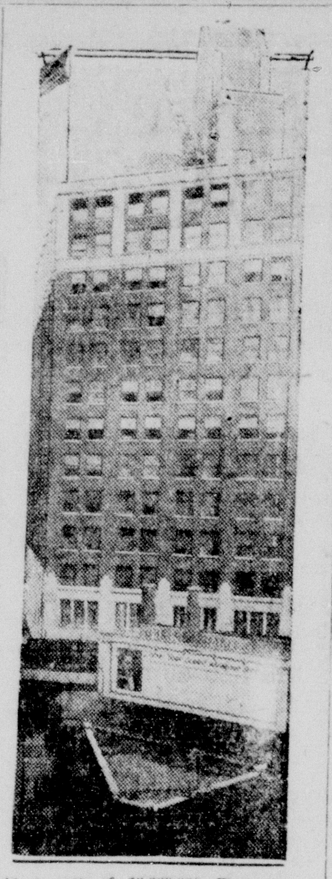
Meek then went to the barn, bridled a horse, mounted and galloped away. He was next seen the following morning about 6:30 o'clock about three miles from the scene of the crime. He was not seen again until his surrender yesterday afternoon.

"Bed Looks Good."

When Sheriff McMillan and Chiefs of Police Matt Ford of Osborn, Clarence David of Cameron and Landis Burdette of Maysville arrived here with Meek he was immediately placed in a cell at the county jail. When Meek entered the cell he threw himself on the cot, remarking that "this bed sure looks good to me, boys." He appears to have lost 40 or 50 pounds in weight since the man hunt began.

The posse searching for Meek yesterday found seven places where Meek evidently had spent the night. The ground at each place was strewn with melon rinds, green-corn cobs and pear cores. However, when he was given food at his home in the country he ate as though he were nearly famished, the sheriff said.

Meek's wife, since the crime was committed last Friday, and the five children in the family have been staying with Mrs. Meek's mother, Mrs. Rachael Shaw. The Shaw home and the home of the slayer's brother-in-law, Sam Sifers, were carefully guarded Thursday night at the request of Mrs. Meek and Mr. Sifers.



At a cost of $3,000,000, Rochester (N. Y.) Baptists have built this church of 14 stories. It contains 10 retail stores, 250 offices, and four rooms for church purposes. Rev. Clinton Wunder says churches in cities must build such structures if they wish to stay in the business district.

Meek's Brother Coming.

Porter Meek, former sheriff of De Kalb county, the murderer's brother, who moved to California several years ago, is en route to Maysville.

Homer Meek, Elze Meek's son, last year was captain of the football team of the Maysville high school, from which he was graduated in May. Elze's mother, Mrs. Bettie Meek lives here.

The Meek family is one of the oldest and most prominent in De Kalb county.

Meek knows and calls by name those of his friends who have called at the jail to see him.

Sheriff McMillen said that on the way to town with the prisoner he asked him how long it had been since he had seen Culley. "Oh, I don't think I've seen him for more than a week," Meek is reported to have replied.

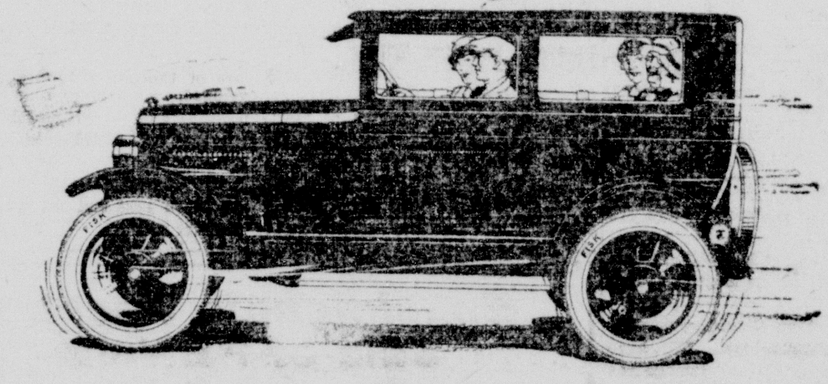
An Owner

... in these words, an owner of a couple of large, expensive cars summed up his opinion of this Overland... Pride of ownership! Sterling worth, through and through! That's the backbone of Overland's popularity. Regardless of their financial standing, owners know this car today as America's outstanding light-car value—the one light car with nothing "cheap" about it.



..and now, at this new low price even greater value is yours!

was $655 Now $595 f.o.b. Toledo

...for less than $600, a full-size 5-passenger Sedan with Sliding Gear Tranmission—room and to spare for 5 regular people to ride in.. a smartly-designed car, clean-cut, rakish, low, *extraordinarily good-looking!*... body finished in polished lacquer, rich deep blue with glistening jet-black trimmings, as handsome a light automobile as anybody ever looked at. *Women want it!*

Wider seats

—*the widest of any light car built*—new, single-piece, undivided front seat, 39 inches wide, 19 inches deep; wider back seat, 45 inches wide, 18 inches deep—You know what *that* means to your driving comfort-and-freedom. No more 100-mile fatigue. You know what such ample seat-space means to the comfort and convenience of your passengers. No more crowding!

Big wide windows

—more than 20 square feet of window space—all the air and all the broad, uninterrupted vision of a touring car with closed-car protection, closed-car snugness, closed-car warmth and comfort whenever you want it!

Extra wide doors

—easy entrance and exit to both front and rear seats. No discomfort to anybody getting in or out. Each door has four extra heavy hinges. Use them as rough as you like, these doors are there to stay. They're built to withstand punishment!

Very latest one-piece windshield

—especially valuable in night-driving. Gives clear, unobstructed vision. More easily adjusted—you don't have to fuss with it. Adds greatly to the car's appearance. Easier to clean and to keep clean. One of those little things that mean so much. You need this new-day light-car feature and, in this extraordinary car-value, *you get it!*

Fine broadcloth upholstery

—expensive looking, very durable; deep comfortable seats; Brussels carpet in rear, rubber carpet in front; *more leg-room* for the driver, *more space* for your passengers; big-car *value*, big-car *atmosphere* all the way through at even less-than-current light-car cost—in what other light car can you be certain of such splendid dollar-for-dollar value!

A 27 horsepower engine

—sturdy, reliable, a bearcat on the hills, with all the power you need for 50 miles or 50,000; L-head motor, larger valves, more efficient and giving more power than over-head valves; a quieter motor because it has only half the number of working parts...

Chassis

—strong, rigid frame with lots of bracing—springs of Chrome Vanadium steel, the finest and strongest spring steel known—in Overland springs every leaf is genuine Chrome Vanadium, exactly the same material that you will find in the world's finest automobiles; front wheels mounted on Timken taper roller bearings; rear wheels, on New Departure ball bearings; Molybdenum steel tapered steering knuckles; irreversible type steering gear; only 27 points to lubricate on entire chassis against 35 to 60 in other cars... *in what other car in Overland's price-class, or in what car selling for several hundred dollars more, can you match, or anywhere near it, this impressive list of Overland advantages?*

Modern disc type clutch

—one of the finest clutches and used in many of the highest priced cars made in this country. The fact that it runs in oil instead of being run dry means that you have no clutch lubricating problem. You who are used to frequent and troublesome lubrication of your clutch bearing will appreciate the vital advantage of this *exclusive* Overland feature...

Ignition system

—Auto-Lite starting, lighting and ignition—enclosed storage battery holder—drum type headlights, legal lens, braced with tie bar—dimmers in headlights—thief-proof ignition lock—dash light—as you can see, an ignition system throughout that is positively the same high standard that you get in cars costing two or three times the money!

A rear axle system

—the equal in strength and size to that used in cars having double the weight of Overland; axle shafts of Molybdenum steel, the toughest steel known—it carries the highest elastic limit of any steel used in the making of automobiles—*In the entire three years in which Overland has used this axle system there is no case on record where an axle-shaft has ever been broken.*

Extra big, extra strong brakes

—extra efficient, extra sure—one full square inch of braking surface for every 19 pounds weight of car. *Step in and see this great Sedan, for $595. Very easy terms. Only a small amount down. 52 weeks for the balance. Your present car to apply as part payment.*

Grant City Cashier Gets Two Years in Pen

E. A. Robertson, Former Director of Defunct Farmers' Trust Company Convicted at Albany.

Albany, Mo., Sept. 25.—E. A. Robertson, former director and cashier of the defunct Farmers' Trust Company of Grant City, was convicted here last night on a charge of misappropriation of funds, and was sentenced to serve two years in the penitentiary.

Robertson is a son of John F. Robertson, former president of the institution, who was sentenced to serve five years in the state prison last spring on a similar charge. The Farmers' Trust Company was closed April 18, 1924. The case was tried here on a change of venue. The elder Robertson's case was appealed, and he is at liberty on bond.

Judge John M. Dawson of Maryville is presiding at the Gentry County circuit court being held at Albany this week.

Kansas City—John Byron died of burns received when he fell into a vat of boiling water in an ice plant here.

Closing Grain Review.

Chicago, Sept. 26.—Grains finished generally lower on the Board of Trade today. Wheat led. Oats were steady to higher.

Wheat fluctuated within a narrow range. News developments were of no consequence.

Corn lacked support. Despite the strong feeling of some of the short interests, liquidation carried on.

No pressure was evident in oats.

Provisions market was quiet.

Calf Sells For $18.50 Per Hundred.

Kansas City, Sept. 26.—A Hereford calf shown at the Kansas state fair in Hutchison by Jack Mount of Paola, sold at the top price of $18.50 the hundred weight at an auction conducted at the stockyards here today.

Eggs Show Mixed Qualities.

Chicago, Sept. 26.—Production of fresh eggs is dropping off rapidly, which is natural at this time of year. Eggs now being received show mixed qualities, indicating that some producers have held stock longer than usual.

Trade is now turning generally to storage eggs, which are moving out of storage at the present time with some loss to the owners, due to the very heavy stock in storage.

Live poultry is moving in light quantities, the bulk of which is going in live shopments to the large centers for the Jewish holidays.

The fact that hens are about through laying indicates that there should be a larger movement of fowls in the next few weeks, and prospects are for a decline in the market.

Spring chickens are moving in normal quantities and the general prospects are for lower values.

Production of butter in the last few weeks has been materially less and, as the demand has been very good, markets have worked considerably higher. General prospects at this time are for continued good markets, and farmers should plan for a good production of milk throughout the winter.

High Court Approves Conviction of Hough

Given Life Sentence When Found Guilty of Murdering Miss McKenney, Near Bedford Last Year.

Bedford, Iowa, Sept. 26.—The supreme court late yesterday affirmed the conviction of Carl Hough, who was sentenced to serve a life term after having been found guilty of murdering Miss Lillian McKenney of Herrick, S. D., near Bedford last year.

On August 13, 1924, the body of a young girl was found under a bridge about ten miles west of here by two boys who had been in swimming.

Thousands of people viewed the body in an effort to help identify the girl.

It developed that Lillian McKenney of Herrick, S. D., had left her home in company with a man named Carl Hough ten days previous and that her father was searching for her. He came to Bedford and identified the body as that of his daughter.

Because of marks on the throat and body the state adopted the theory that she had been strangled to death and that Hough was the guilty man. It was learned that Hough had been seen with the girl in Taylor County two days before the discovery of the body and that he had pawned a suitcase containing his own clothing and a girl's dress for gasoline at an oil station at New Market.

Mr. McKenney identified the dress as the one his daughter had worn at her high school graduation exercises the previous spring.

Hough was apprehended and pleaded not guilty, and was tried in the November term of the Taylor County district court.

Guards Liquor

Day in and day out Louis Ginnocchio stands outside the door of the room in the courthouse at Memphis, Tenn., where seized liquor is stored. For years before the prohibition act went into effect he made it a hobby to collect bottles of rare liquor. The police recently raided his home and while Ginnocchio's lawyers are fighting through the courts the seizure of liquor, he stands guard over his collection. When anyone enters the liquor room, he enters also.

Legion Convention Program Received by John G. Mutz

American Legion boys throughout the county are all talking about the National Convention that will be held at Omaha, the week October 5. From the indications there will be a big delegation from Maryville and Nodaway County at various days of the convention, many of the Legionnaires expecting to drive up in automobiles.

The idea of chartering a pullman car for Nodaway County Legionnaires has been given up on account of the fact that not enough signed up for reservations.

The highlights of the tentative program of the Legion convention, received by John G. Mutz, local commander:

8 GAMES IN OUTDOOR LOOP

SOME GAMES POSTPONED ON ACCOUNT OF RAIN.

AN EXTRA PERIOD TITLE

Clearmont and Quitman Boys Go Three Extra Play-off Periods—2nd Week of Schedule.

Scores in Outdoor League Yesterday.

Pickering boys 27, Conception boys 14.

Ravenwood boys 17, Guilford boys 9.

Guilford girls 14, Ravenwood girls 6.

Graham boys 12, Elmo boys 10.

Elmo girls 42, Graham girls 2.

Parnell girls 39, Barnard girls 12.

Parnell boys 6, Barnard boys 6. Game called on account of rain.

Clearmont boys 8, Quitman boys 7.

Skidmore-Burlington Junction games postponed, rain.

Due to the rain yesterday afternoon not all of the games scheduled in the Nodaway County Outdoor Basketball League were played. Quitman and Clearmont played indoors. As it was eight games were played. It was impossible today to obtain the box scores of any of the games, but the results of each contest are given above.

Parnell High School girls basketball team continued its winning streak yesterday in the Nodaway County Outdoor League by defeating the Barnard girls on the Barnard court by the lop-sided score of 39 to 12. The Parnell girls showed superiority in all departments.

The boys game was called off in the second quarter on account of rain, with the score tied, 6-all. The Barnard boys were showing the best brand of basketball up to this time.

It took three 5-minutes play-off periods to decide the winners of the Quitman-Clearmont boys basketball game played at Clearmont yesterday. It was the second game for Quitman of the Nodaway County Outdoor Basketball League, and on accunt of the wet court the game was played on an inside court.

Clearmont, playing for the first time, defeated Quitman by the narrow margin of 8 to 7. The score was 6-all at the end of the regular playing time. Fifteen extra minutes had to be allowed in order to decide the winner.

Poor basket shooting was exhibited by both teams and the game was rough. Raymond Beam and Floyd Billingsley, both of Clearmont, officiated.

Neither Quitman or Clearmont have girls teams this year.

The game between Skidmore and Burlington Junction was postponed yesterday on account of the rain.

STANLEY HARRIS

Manager Stanley ("Bucky") Harris, who for the second consecutive year has led the Washington Senators to a pennant in the American League. He is not only one of the best second-sackers in the business but is a crafty pilot and the youngest on the diamond. Harris may not get in all of the games of the World Series as he is doctoring a badly lacerated finger on his throwing hand.

A SENATOR STANDBY.

ROGER PECKINPAUGH

Roger Peckinpaugh may be forced to watch the World Series from the bench as he is suffering with a sprained ankle. He is the main cog of the Senator's inner defense. A veteran of fifteen major league seasons, Peckinpaugh can still hold his own at the shortstop position and with Harris at second form the greatest keystone combination in the big show today.

Qualifying Round Ends Monday at Shenandoah

Members Here Invited to Attend Social Functions and Tournament At Southmoreland Club.

A telegram was received today by Forrest Gillam, president of the Iowa-Missouri Golf Association, from Ben A. Brower of Shenandoah, Ia., urging that a delegation of Maryville golf players and their wives be in attendance at the golf tournament and social affairs that will be held at the Southmoreland Country Club at Shenandoah, Ia., beginning tomorrow.

Monday evening there will be a dinner and dance at the Country Club there, to which the members of the Maryville Country Club are invited. The local golf members are urged to enter the tournament, the qualifying round commencing tomorrow morning and closing Monday noon. Mr. Gillam said this morning that he would go up Monday to qualify that morning for the tournament and is eager that several of the other members of the Country Club would also enter the tournament.

40 OUT FOR TEAM AT CAPE

COACH COURLEUX PUTS MEN THROUGH SCRIMMAGES.

SCHEDULE ANNOUNCED

Cape Girardeau Teachers Have Four Letter Men Back—Westminster Star With Outfit.

Coach F. J. Courleux has been putting the Cape Girardeau Indians through heavy scrimmages this week in preparation for the first game of the Southeast Missouri State Teachers College football schedule which will be played with Mayfield College of Marble Hill at Cape Girardeau October 6. Four letter men, six men from last year's squad and a big string of new material are available this year at the Southeast Teachers institution.

Kelly Brown, last year's tackle, has been appointed acting captain pending an election if the football squad desires one. He was appointed to take the place of Paul Harman, captain-elect, who did not return to the Southeast Teachers this fall. Brown is about the heaviest man on the team, tipping the scales to 227 pounds.

The Indian squad has been re-inforced by the addition of a former Westminster College letterman in the form of Joe Haw, a former Sikeston High School gridder. The Indians will have plenty of weight this year, according to authentic information from the home of the Cape School. More than forty men are fighting for positions on Coach Courleux's machine.

The Indians were taken on a week's training previously to the opening of school and the coach there now has a pretty good line on the material he has on hand, the men stacking up about like this:

Backfield: Duckworth, Cain, J. Black, Tim Daugherty, Whitener, McKay, Burleson, Richardson, Vaughan, Sanders, Finch, Stubbs. Center: Bauerle. Guards: Lockwood, Wescoat, Murphy, Edmondson, Hunter, Regenhardt and Reeves. Tackles: K. Brown, J. Haw, W. Mabrey and Mahew. Ends: Miller, Beatty, C. Brown, Hornborough and Harris.

Several others have reported for practice since the opening of the practice season who have not had a good chance to "show their stuff."

The Indians will probably arrange a game with the Springfield Teachers on Thanksgiving.

Indian Football Schedule.

Oct. 6.—Will Mayfield at Cape Girardeau.

Oct. 17.—Carbondale at Cape Girardeau.

Oct. 23 or 24.—Game pending.

Oct. 29.—Maryville at Cape Girardeau.

Nov. 6.—Cape Girardeau at Carbondale.

Nov. 14.—Warrensburg at Cape Girardeau.

Nov. 21.—Cape Girardeau at Kirksville.

Nov. 26.—Game pending.

Joe Wagner Is Found Guilty of Robbery

Famous Kansas City Character Is Convicted by Jury in Des Moines—Bandit Gives Testimony.

Des Moines, Sept. 26.—Joe Wagner of Kansas City today was found guilty of robbing the Cottage Grove Bank of Des Moines in Polk County district court here today.

Wagner was indicted with three other men for the daylight hold up of the bank employes last spring. One man confessed to the crime and was one of the principal witnesses against Wagner.

Mystery Shrouds St. Louis Resort Slaying

Attempt Made by Police to Unseal Lips of Two Men Seriously Wounded in Roadhouse Shooting.

St. Louis, Sept. 26.—An attempt was being made by police today to unseal the lips of two men seriously wounded to get the details of a shooting in a roadhouse in which Manuel Biever, 25, police character, was killed by gangsters.

Anthony Selvaggi, 18, companion of Biever, seriously wounded in the roadhouse, refused to tell police who the three assailants were.

Hugh Callahan, 25, was dumped out of an automobile at Jefferson Barracks, seriously wounded. He also refused to talk.

25-inch Bottom Trousers, Latest Fad, Arrive Today

The latest creation in men's—mind you young men—trousers arrived in Maryville today and were put on display. They are known as "Oxford Bags" with twenty-five inch bottoms, yes, bottoms, not around the waist.

According to the clothier he had difficulty in obtaining this latest fad, the extra-wide bottom trousers, which are shown here in light colors, on account of the heavy demands from the college cities. It is said that in the East the girls are wearing the same garment with sweaters.

From the sale of these trousers today it was indicated they would be seen on the College campus by Monday.

Eleanor Nicholas, daughter of Mr. and Mrs. A. C. Nicholas, underwent a tonsil operation yesterday afternoon.

Mr. and Mrs. D. Young of Quitman spent yesterday in Maryville.

"The highest resale value"

still further enhanced by tremendously

reduced prices

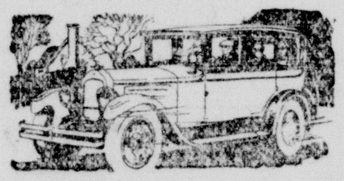
THE used-car columns of your daily newspaper tell the story. You will find there but few Willys-Knights for sale. And such as are, command, *always*, an almost incredible premium . . .

The life of an automobile, the extent of its further usefulness, determine its resale-ability. And life and usefulness are determined, *absolutely*, by the condition of the engine . . .

When a car goes to the graveyard for automobiles, it goes there for one major reason, *one only — It is the engine* that sends a car "across the river". *It is the engine* that makes or breaks a car—first, last and all the time! . . .

The Willys-Knight engine never wears out

—unlike any other motor-mechanism in existence, it does not deteriorate. *It actually improves with use* . . . After 50,000 miles, on up to 100,000 and over, it is a smoother and quieter, more powerful and more completely efficient engine than it was on the day you bought it! . . .



After more than 10 years' use—in the hands of many thousands of owners—no one yet knows the engine-life of the Willys-Knight. And it will be 10 years more, probably longer, before an accurate appraisal of its longevity becomes available! . . .

You have never heard of an owner going into any other salesroom asking for a new body or a new chassis for his old motor. Yet you will meet with this *any number of times* in salesrooms of the Willys-Knight . . .

Used-car experts (than whom there are no keener judges of car-values) consider a Willys-Knight at 50,000 or 60,000 miles a first-class selling proposition. Can the same be said of *any* other car in, or under, or considerably above its price-class, with that distance chalked up against it?

The patented Knight sleeve-valve motor

—that is the leading reason for the phenomenally long life, the perennially fine performance, and, consequently, the gratifyingly greater resale-rating of the Willys-Knight . . . No tappets, no springs, no rocker arm bushings to grow noisy, or get out of order, or replace . . . No valves to grind. Carbon is the "tuberculosis" of the automobile engine. The Knight engine is absolutely immune from that. It is positively proof against all carbon troubles. In fact, carbon improves this engine's functioning . . .

So—when you buy your Willys-Knight, particularly at these SUBSTANTIALLY REDUCED PRICES, you are not merely buying an automobile. You are making *an investment in sustained motor-car satisfaction*. And the dividends that investment bring to you—in service, in freedom from expense and annoyance, in pride of ownership—are matched only by its strength as a gilt-edged security, its high *cash redemption value* if, in any emergency, you are obliged to dispose of your car.
